

PROFMED

BENEFITS AT A GLANCE 2021

HEALTHCARE FOR PROFESSIONALS

09/2021

Applicable 1 January 2021 - 31 December 2021.

The Schedule of Benefits, containing full details of the benefits, limits and exclusions that apply, is available at www.profm.co.za or by calling 0860 679 200.

INTRODUCING PROFMED

Profmed is the largest restricted medical scheme in South Africa uniquely designed for professionals. We provide medical cover tailored to suit your professional lifestyle.

WHY PROFMED?

Profmed provides an exceptional range of comprehensive benefits and affordable medical cover, in addition:

- Expectant mothers can register on the **Profmed Baby programme**, which is available on all options.
- The **Profmed App** can be downloaded by all members and their registered dependants for convenient access to the **electronic membership card**, navigation to the nearest **ER facility**, access to important Scheme documents and **virtual consultations** via text, call or video-chat, and more.
- **Health-on-Line** can be contacted on 082 911 for telephonic emergency and non-emergency medical advice.

WHO QUALIFIES?

Membership is exclusively for professionals*. Whether you're still studying, or starting out with your career, our benefits have you covered.

PREMIUM AND SAVVY BENEFIT OPTIONS

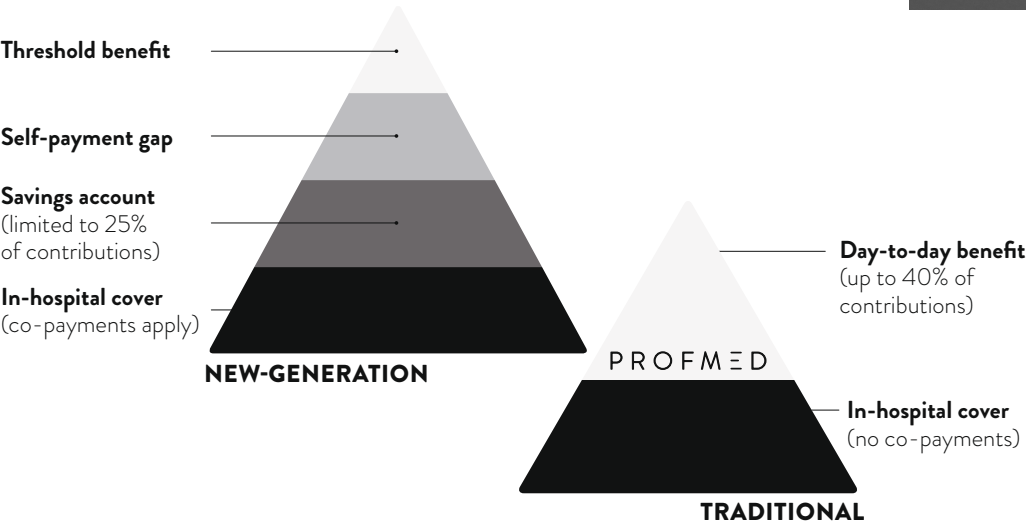

Profmed's range of options enables you to select medical cover to suit your lifestyle. All Premium benefit options are also available on the more affordable Savvy options. The Savvy options require members to make use of the hospital Designated Service Provider Network (DSPN). A co-payment of R10 000 will apply when voluntarily using hospitals outside of the DSPN.**

PROPINNACLE	PROSECURE PLUS	PROSECURE	PROACTIVE PLUS	PROACTIVE
Comprehensive hospital and day-to-day cover for complete peace of mind	Hospital and day-to-day benefits for the growing family	Hospital and day-to-day benefits for the younger family	Hospital benefits and day-to-day benefits for young professionals	Hospital benefits and day-to-day dentistry benefits for young, aspiring professionals

BENEFIT STRUCTURE

Profmed is a traditional medical scheme. The diagram below illustrates the difference between a traditional and new generation medical scheme.

TRADITIONAL VS NEW-GENERATION MEDICAL SCHEME

A traditional medical scheme is uncomplicated, offering more certainty on the benefits, as the limits are clearly defined. This clarity provides greater peace of mind and understanding of the benefits.

* Eligibility criteria apply. Call 0800 334 733 for more information.
** The list of the Savvy network hospitals are available at www.profmed.co.za.
